

SPORTS & RECREATION LIBRARY BOOKS

V R

INSTRUCTION SHEET

INSTRUCTIONS:

As preparation for visiting the library (see Library Field Trip contact assignment), students will look at borrowed library books, filling in library vocabulary information on the chart worksheet. As different libraries have different sections and materials, you may want to confirm what your local library has. Add or delete vocabulary from this sheet as required.

****note:** as reference materials cannot be borrowed from the library, you may decide to simply talk about that section, or bring in some of your own dictionaries or other reference material and put a "R" sticker on its spine.

REQUIRED STRUCTURES:

REQUIRED VOCABULARY: *title, material (book, magazine, CD, audio, video), author, fiction, non-fiction, call number, subject, section (adult fiction, adult non-fiction, children's fiction, children's non-fiction, reference, periodicals, young adult, audio visual, foreign languages)*

GROUP SIZE: small group

HANDOUTS: Library Books chart worksheet

OTHER MATERIALS REQUIRED: a variety of library books (at least 5 books per table/group)
